## Organization/Assignee name

- ☐ [Earth Science Information Partners \(ESIP\) \(by-laws\)](#) / Anne Thessen (and I can also ask my friend with a non-profit management MBA)

- ☐ Sections of bylaws are pasted below - seem like basic non profit stuff
- ☐ Sections are minimalist
- ☐ Specifics about voting, defining a quorum, membership, resignations
- ☐ Duty of care and conduct stuff
- ☐ Policies and procedures and position descriptions are separate from the bylaws

- ☐ Things I think are not useful for Ronin

  - ☐ Plan to call, ask specifics about what we as members of Ronin could and couldn't do to keep Ronin open, given the bylaws we have <http://www.njnonprofits.org/> Elena- they do not accept calls, only email so sent email to [center@njnonprofits.org](mailto:center@njnonprofits.org) 6/11/24, 1 hr before receiving the “Ronin Institute Update” email from the Ronin Board of Directors
  - ☐ **Neuromatch Institute**/Nick Jackson
    - ☐ Neuromatch seems to have an innovative structure whereby the Board holds day-to-day governance power but one member is selected by Neuromatch Academy, one by Neuromatch Conference, and the remainder by a majority vote of members.
    - ☐ Removal of board members occurs at a meeting of Members, but it seems that the board has control over scheduling those meetings.
